about the tour

The Trail of Colors National Hiking Tour Celebrates Black & Brown Folk on the Trails & seeks to unite hikers of color (from beginner to expert level) from all over the U.S.

Hiking groups and individuals are invited to participate in each host city and are also welcome to join other host cities on their hikes. In 2024, Destination Elevated, will co-host hikes in various states along with established hiking groups from those regions.

Each hike will raise funding for local youth programming, hiking equipment, and outdoor safety training for underserved populations.

[press release](#)

register your group

The Trail of Colors National Hiking Tour is currently seeking Hiking Groups from the East to West coasts to participate in the national hiking event.

[get registered](#)

Sponsor the Tour

we are seeking monetary contributions,
hiking gear, hydration stations, water, meet-
up venues, and promotional sponsors.

Let us know how you'd like to get involved!

LIVE info-session

An info session will take place on Friday, December 17th at 6PM EST. The session's purpose is to determine interest in joining the tour in partnership and participation. Organizers will also take suggestions for hiking trails, youth organization beneficiaries, and local organizations & businesses to partner with and/or seek sponsorships. Interested parties (non-individuals) will complete a Letter of Intent to join the hiking tour in 2024 during the info-session.

about us

Destination Elevated provides resources and reviews for travelers of color, outdoor activity enthusiasts, agri-tourism businesses, farms, campgrounds, and wellness events.

Our goal is to decolonize outdoor spaces for the Black & Latinx communities through education, access, and outdoor activities across the United States.
